

Agenda

McKee Innovation Studio

Date: June 17, 2019

Time: 12 noon to 2:30 pm

Place: PRTC, McKee, KY

LAUNCH personnel: Corey Baker, Ming-Yuan Chih, Alyssa Donawa, Melanie McComsey, Anna McCowan, Inema Orukari, Robin Vanderpool

LAUNCH HEALTH: Our mission is to empower the collective genius of people from every walk of life to serve their own communities and to help transform the future of cancer care. Together, we will develop tools that are accessible to anyone, enabling cancer patients, survivors, or caregivers to innovate solutions to their own unique challenges. Learn more at www.launchhealth.org.

12-12:20	Welcome Get lunch, sign media release form, meet your neighbors.
12:20-12:40	Lunch & Introduction Enjoy your lunch while the LAUNCH team introduces the project.
12:40-1:00	Icebreaker Adapting a recipe for an event.
1:00-1:30	Activity 1 Choose an innovation “recipe” to address a cancer-related challenge.
1:30-2:00	Activity 2 Adapt your innovation recipe to the challenge.
2:00-2:25	Pitch & Bid Pitch your innovation. Bid to help create and test innovations.
2:25-2:30	Wrap-up Thank you for your participation!
2:30	Adjourn The studio has ended, but the innovation process has just begun. We will be in touch to work on next steps.
2:30-3:00	Optional interview Share your thoughts on this project, on the studio, or on anything.
